

**TO THE HONOURABLE THE PRESIDENT AND MEMBERS OF THE LEGISLATIVE COUNCIL ASSEMBLED
IN PARLIAMENT**

We, the undersigned Citizens of Victoria, call on the Legislative Council of Victoria to note:

- the Victorian Government has announced plans to construct concrete pylon Sky Rails on long sections of the Dandenong/Pakenham lines as a cheaper alternative to traditional methods of delivering its level crossing removal election commitments;
- that affected local communities were not properly consulted in the development of these plans, with reports that those residents most affected by the imposition of Sky Rail were purposefully excluded from what limited consultation actually occurred; and
- that affected residents are completely opposed to the construction of Sky Rails along the Dandenong/Pakenham lines, with their inherent greatly increased visual impact and noise pollution and greatly reduced residential amenity and privacy.

We therefore demand the Andrews Labor Government abandon its cheap and nasty Sky Rail plans and instead proceed with a rail under road solution to level crossing removals as has been so successfully implemented at Burke Road, Glen Iris.
